

PARKFIELD PRIMARY SCHOOL

MONITORING

END OF YEAR REPORTS FEEDBACK

July 2019

34 parents responded. Scale used was as follows:

The report helps me understand how my child is doing at Parkfield

34 responses

The report is simple to understand

34 responses

I like the format and how the report is presented

34 responses

The effort grades are easy to understand

34 responses

The attainment grades are easy to understand

34 responses

Do you have any further comments regarding the reports?

- Well done for your patience Miss Cummins
- I felt there wasn't much information on how he was doing or where he is up to. Bit disappointed on everything.
- The grid system with the highlighters is confusing as there are ticks as well as highlighted sections which *I think* mean the same thing but cannot be sure.
- A very positive report. It is clear that the teacher understands my child well
- Nice and personal
- Yr 3 was split over 2 teachers, I didn't feel the summary reflected this and was based only on the first 6 months with only little input advised for the latter 6 months. I would normally say class disruption / non consistency unsettles young individuals but actually think xxx was more himself the 2nd half of yr 3!
- We are so pleased with xxx report she is doing so well despite her attention problems.
- Miss Cummins comments about my child was lovely and I loved reading about how well xxx has done in year 2
- xxx had a fantastic report. I am more than pleased with it.
- Excellent!!! Very easy to follow.
- Levels of attainment don't flow. Would read better as emerging, expected, exceeding. (Reception)
- Great and easy to understand.
- I am very happy with xxx progress this year and I feel confident that he was accurately assessed. My only criticism would be the marking system. I know he is working at 'above' but what I would like to know is how much above. Having his tests returned has enabled me to decide this and will help to work through any weak areas.

Is your child in Y6? If so, do you have any further comments or questions on how the SATS results are presented?

- I don't think that the tick sheets supplied with reports truly reflect ability especially when compared with SATS results.

Do you have any comments that you'd like to pass to the class teacher or other members of staff?

Thank you for helping my son settle in and supporting him through year 5

Thankyou!

My daughter has had a fantastic final year at Parkfield. Many thanks to Mr Barnes and the whole staff team for all of your efforts. You have made some wonderful memories.

Thank you

Very proud of her last primary school report

I would like to thank you all for all your hard work throughout this past year the progress my son has made with your guidance is amazing

Just wanted to say a big thank you for making xxx's First school year so good he's enjoyed coming in and you've got the best out of him. Thank you Mrs Gooding and Mrs Jeffrey's!!

Thank you for your support in the past year, my child really did excel in year 6

Thankyou to you all amazing team ☐

I would like to thank Mrs Acil and Mrs Naughton for giving my daughter a great year 5 also Mrs Acil for her lovely comments about her

I'd like to thank all KS1 staff for preparing my child for SATs and building her confidence ready for year 3. She's had a wonderful start.

Brilliant teaching 👍

We are so proud of my son and his amazing report. Thank you all for the time and effort you have put in to enable him to smash his first year at Parkfield.

Thank you very much for all your hard work and helping my daughter have a fantastic first year in school.

Thank you Mrs Aqil for your honesty, accuracy and care for my son's education and welfare.

Actions following questionnaire:

- On the whole, positive comments about the reports
- SLT to look at making the recording system simpler on target sheets
- Discussion around whether it would be useful to state the points each pupil is on
- Continue to send home tests once they have been completed
- Alter the reception report so it goes in order of emerging, expected and exceeding
