## What did you like about the session?

4 responses

Variety

Spending time with my child

Spending time with Asa watching him learn and show his younger siblings and myself how kind and caring he is in a school environment

Relaxed. Teachers approached parents about the children

## What could we do to improve the session?

2 responses

To show parents a phonics session. Parents can then do things similar at home

Nothing

Copies of the challenge cards shared on the day, along with a few other resources about how to help at home, have now been put onto our website.
