Agree (Red)	7												
Disagree (Yellow)	2												
Strongly Disagree (Green)	1												
Other (Purple)	2												
<p>I think the schools systems for rewarding and praising children are effective.</p>	<table border="1"> <thead> <tr> <th>Response Category</th> <th>Count (Approximate)</th> </tr> </thead> <tbody> <tr> <td>Strongly Agree (Blue)</td> <td>10</td> </tr> <tr> <td>Agree (Red)</td> <td>8</td> </tr> <tr> <td>Disagree (Yellow)</td> <td>2</td> </tr> <tr> <td>Strongly Disagree (Green)</td> <td>1</td> </tr> <tr> <td>Other (Purple)</td> <td>2</td> </tr> </tbody> </table>	Response Category	Count (Approximate)	Strongly Agree (Blue)	10	Agree (Red)	8	Disagree (Yellow)	2	Strongly Disagree (Green)	1	Other (Purple)	2
Response Category	Count (Approximate)												
Strongly Agree (Blue)	10												
Agree (Red)	8												
Disagree (Yellow)	2												
Strongly Disagree (Green)	1												
Other (Purple)	2												

Parkfield helps to promote a healthy lifestyle.

I understand the role of the school governors.

## Questions about Communications

### Can you suggest any improvements with our communications?

A bit more notice for events and special days

reminders the day before not on the same day

both parents to receive all info and comms

Put the Twitter feedback where the calendar is. The detail is too small to read.

use tappestry more for communication

allow 2 parents to get the texts - hence the dissagree with communication is good.

communication could be improved on things happening in class i.e bringing things in etc

I really like that we can add the school calendar to our own Google calendar, it helps enormously with planning ahead.

Great communication both with email and school gateway

Ensuring people unable to access gateway can do so I have been waiting months for this issue to be resolved thank you

All good

Updates In note form of how I can assist my child when learning at home, maybe in his diary

Thanks for your comments. These will be shared with teachers and office staff. We have made huge improvements over the years with communications and realise we still have areas that we could improve in. Unfortunately, the comments relating to both parents/carers receiving text messages is due to cost. To send a text message to both parents significantly increases the cost of the service. However, emails and messages through the schoolcomms app are free to send and we will endeavour to ensure these are received by both parents/carers.

### **What do you like most about Parkfield Primary School?**

how happy both my kids was coming to this school

The staff have my child's best interest at heart

The sizing is perfect for my children and within close proximity. The school has some great ideas of how best to teach children and aid progression

the staff are brilliant and how happy XXX is here

community feel small close knit personable

Small 'hidden' school with friendly staff.

It's like one big family. Even me being a parent I feel a part of it too.

ethos

How inclusive it is, how welcoming it is. Seeing Mr Kemp in the playground greeting people each day is brilliant and the new house rewards each term is a great idea too.

James loves his work and the themes each half term

Big family feeling

XXX suffers with really bad anxiety and can't deal with change or anything new. The teachers especially Miss Cummins have been amazing. With their help and understanding XXX is loving trying new things without feeling scared and having a total meltdown. So for me I would definitely say the teachers and the way they care for the children is what I most like about parkfield primary :)

My child loves Parkfield, good enough for me.

Brilliant Head Teacher, with great 1st class teachers

Everything! I couldn't be have found a better school for XXX, he loves it. All the teachers and staff from both the school and early birds and busy bees are amazing and I am grateful for how they help XXX learn and grow.

How inclusive it is

Our children are proud to be Parkfielders. I like that they both enjoy learning. The teachers do a great job making the curriculum interesting and challenging them appropriately.

Small & personal

All staff are lovely.

Overall a positive environment to be in.

staff

that it's like a family

the amazing governing board

extra curricular

Very welcoming & kind staff

It's a fully inclusive school.

Nothing.

teacher and pupil relations

Teachers are really good and it is a family friendly environment which you feel involved with.

quality of teachers

my children are happy

everything

That it is a smaller primary & close to home

Everything

community spirit

I love the way you accept every child for who they are and what they need. Every child is different

friendly and inviting  
small class sizes and close knit family feel.  
everyone is easy to talk to about anything, I like the open door friendly approach.  
warm, welcoming layout, interactive learning.  
seeing great improvement in him  
the way my child is always happy

[Thank you for the comments. These will be shared with all staff in the school.](#)

### **How can we make Parkfield Primary School even better?**

make a year 7 so my son doesn't have to leave :(  
More interaction for parents in the classroom maybe  
It's brilliant already! Keep doing what you're doing 😊  
Keep class rooms calm like Mr Hellon's class .  
If you could come up with some way of stopping the kids growing up, otherwise all good.  
Having 1 or 2 sentences comment on the reports sent home at the end of term would be helpful,  
rather than just the tick sheets.

[We feel that the target sheets provided for reading, writing and maths each term give a clear indication about what your child can do and what they need to improve on. We save our comments for the more detailed report at the end of the year.](#)

do a checklist on who has merit award as some get twice and some get forgot about  
reward positive and well behaved children even if they are quiet and never mentioned  
[Our behaviour policy includes a number of different rewards and incentives for all children. We also keep a record on the children that receive the merit award ensuring a child wins the award once each year.](#)

An after school club to learn makaton signing.  
I find I'm unable to attend most of the inclusive 'parent drop ins' being that they are during school time & I am working.  
[This is an issue we are well aware of and struggle to find an answer to suit everyone. Unfortunately, not all staff can stay late and events held in the evenings haven't been particularly well attended in the past. However, we do attempt to send out as much information electronically as possible after each event to support those parents unable to attend.](#)

Get the local community more involved with the school.  
celebrate other cultures and history more  
[We follow the locally agreed syllabus for RE meaning we cover through our curriculum the range of religions set by the local authority. These include Christianity, Islam, Judaism and Buddhism.](#)

**Any other comments?**

Am concerned about the fact my child is having so many changes in teachers I know this is unfortunate but it is having an effect on my child.

I feel the past 12+ months there has been no consistency for my sons year due to upheaval in teachers being changed and come April there will be another one, which I feel unsettles children and their learning . Also down to many other changes in the school at the moment I am concerned for the additional years he is yet to carry out at Parkfield.

[We understand your frustrations and have put systems in place within school to minimise the disruption to the classes that have had a number of teachers over the year.](#)

Parkfield is a really good school keep up the good work :)

Keep up the good work,

Ks2 walk way has had a few hazards recently left on the pathway which could cause a trip or fall.

[We will make sure our site manager keeps an eye on this.](#)

Keep up the great work!

fab

I would like all children to be able to sign in today's society it is extremely important that everyone can communicate with each other.

Miss Price is an amazing teacher & absolute credit to Parkfield!

Would like to see in the green learning log a task to do with something to do at home. Home economics wise. Even if it's learn how to help making dinner or some other life skill. Parents don't have much time due to work and other things so maybe mixing something that has to be done at home may help more children do the log and because it's mixed with school they may actually try these life long skills. Maybe just a photo task of helping with the washing or pick a meal and learn how to go buy the ingredients and help make it. Just an idea

[Great idea! This is something we'll think about in future Learning Logs.](#)
