

Year 1 Mathematics Drop-In Feedback

September 2019

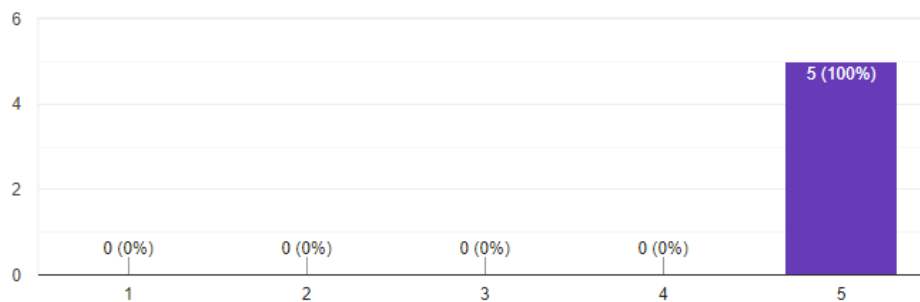

How much did you enjoy session?

5 responses

How useful was the session?

5 responses

What did you like about the session?

Working with my child to learn in a fun new way

Easy to understand and see what my child does on mathematics

One to one with my child

My child and getting to speak to the staff

It was great the children could come & join in so we could work together.

Very informative, good working with my child

What could we do to improve the session?

Nothing

Thank you to the parents that were able to attend the session. Please find the feedback below. It's pleasing to see the positive responses which demonstrate how useful these sessions are.
